Greetings one  
and all from

the Golden Shores of Seleone. Words cannot express the pride that we take in Our Barony and Her people. We hope that you enjoy our hospitality, and by extension, the hospitality of the great Kingdom of Gleann Abhann.

It is with great pride that We, Baron Morgan of Osprey and Baroness Eugénie Griffon De Seleone, welcome you to the Eastern Wall of Gleann Abhann, the Barony of Seleone, nestled in the southern region of the Kingdom of Gleann Abhann. We would invite you to explore all that we have to provide. We offer much in the way of the Arts and Sciences such as brewing and vinting, dancing and singing, metalworking, calligraphy and medieval cookery that enhance our medieval culture as well those aspects of the Martial Arts such as honorable combat, fighter practices, and armor-making that keep the borders of Our lands secure. We invite you to contact our chatelaine and explore our calendar for upcoming events. Should you have any questions, please contact us. We would be happy to welcome you to one of our local events or Arts and Science classes. On behalf of the Society for Creative Anachronism, the Barony of Seleone, and the Kingdom of Gleann Abhann, please come and enjoy our hospitality.

Baron Morgan and Baroness Eugénie
